1 Head Turned eye

Assessor Comments

A nice line of young heifers that show plenty of quality behind them. Sired by top shelf Palgrove Angus sires. These weaners have recently been mustered, locked up and trucked down to Dubbo for buyer convenience for delivery from Cunnamulla QLD. Given this these weaners will have a lot of compensatory gain for their purchaser in comparison to their weight for their frame currently. A quality article with 5 lots total in sale.
