Assessor Comments	Exceptional line of vendor bred August September 2025 NSM yearling heifers presenting in forward condition. Approximately 50% of these heifers are the progeny of an Ai program using USA sire Deep Creek Square Deal with balance consisting of back up Royden and Choice Angus bulls. These heifers handled well through out assessment process and show fantastic weight for age given the tough start to the season. Heifers will suit any domestic or export market as well as make a fantastic line of future breeders please note: Total of 148 heifers in mob to be split into to lots and delivered as a run out the gate Steer portion in same sale
