Assessor Comments	Exceptional line of vendor bred August September 2025 NSM yearling steers presenting in forward condition. Approximately 50% of these steers are the progeny of an Ai program using USA sire Deep Creek Square Deal with balance consisting of back up Royden and Choice Angus bulls. These steers handled well through out assessment process and show fantastic weight for age given the tough start to the season. Steers will suit any domestic or export market and will continue to preform on grass or feedlot situation please note heifer portion in same sale
