Assessor Comments	This line of Dalwhinnie blood heifers were a pleasure to work through the crush and yards. Bred from a medium to large framed cow herd and sired by high performing Dalwhinnie Bulls these heifers would be good to retain as future breeders, or grow out for the feeder market. Note slight pinkeye scarring in 2 heifers, and some ringworm scarring is present not considered detrimental. There are 10 steers from the same consignment in this auction.
