Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Buyers, to be offered for sale are 40 Angus Steers. Genuine cold country cattle. Vendor bred sired by Kywarra and Iron Bark Glen Angus Bulls. August/September 2025 drop, these steers represent the tops of the drop. Weighing 376.2Kg Full, all individually weighed 330+Kg at assessment. These steers are well on their way to heavy feeder weights and will continue to grow and fatten into heavy kill steers. Medium to large frames. Forward store condition. Some steers do present with very minor rubbing as well as some dag from grazing the oat crop, would benefit from a drench upon arrival. They are quiet and flowed through the yards well. A great opportunity to secure 2 decks of Vendor bred Steers with ample weight to turnover onto crop or feed on into domestic or export kill grids.
