Notable Traits	Traits 7 Head Pink eye scarring or light blemish
Assessor Comments	Very well bred line of Bundarbo station bred Angus heifers. Heifers represent the second weight range of 280 heifers on offer and were 187-260kg. Heifers are even and show excellent type. Note no heifers are being retained this year. Heifers are bred from a herd with excellent performance and are proven performers amongst previous purchasers. Total of 119 heifers in this group offered in two lots. Heifers will be delivered via drafting gate to ensure evenness if required at delivery. Heifers present evenly in fresh store condition and show good frame. Great opportunity to acquire heifers from a good productive herd and retain as future breeders if required. Twynam ag have heavily invested in Halter virtual fencing. Heifers have had collars attached for past two months and have adapted well to this new technology. Please call for further information. Note 7 heifers in this weight group with small scar or blemish not detrimental.
