Quiet: 21 head

Temperament not assessed in Paddock

Very good heifers to handle. Cattle are well handled with their commercial data collection and exhibit excellent calm temperament.

Handled With

Bikes , Dogs , Vehicles

Assessor Comments

Top quality small line of black composite Tywnam blood females. Heifers are in fresh store condition and show good frame. Bred from the heart of the Twynam composite program with a large emphasis on feed efficiency in their breeding program. Heifers have excellent temperament and a lovely line of females to background or retain as future breeders going forward. Full breed composition available upon request. Please call for further information.
