Heifers were excellent to handle in yards as a mob and through the race and crush. As long as handled properly and quietly they are very good to handle. A small number of heifers became slightly agitated when in crush by themselves however

Handled With	once let out back to mob they settled straight away. Bikes , Vehicles
Assessor Comments	Buyers on offer is a very neat two deck line of NSM Angus Heifers that were all weighed 335-377Kg full at assessment. These heifers are all displaying excellent type and softness and would be an asset to anyones herd or an ideal article to feed on. These heifers were purchased ex Tumut Store Sale and Wagga Sale early April and are now being offered due to vendor needing to lock crops up. These heifers come of the highest quality and recommendation. Top quality heifers all weighed within a 40Kg bracket. Please contact with any questions.
