	Very well mannered young steers to handle! All led through the race well, stood on the scales, and exited at a walk. All wandered out of the yards in to the holding paddock for photos very quietly, mobbed up easily and started ringing as soon as we approached with the buggy. Unfazed she I hopped out of the buggy and stood in the paddock for photos/videos. Steers you can tell have had some time spent on them, and are a real credit to the vendor.

Assessor Comments	Very stylish line of Steers from a well known Upper Murray herd, carrying 20+ years of pure Llandarlo genetics in their pedigree, with the recent introduction of Table Top Angus too. These steers present in store to forward store condition, with plenty of frame, heaps of scope, and a reputation for hitting ideal bullock grades in a quick timeframe. Cattle that have been repeatedly purchased by in-house clients and have proven to have the shape and scope to perform in any chosen market, be it domestic or export. Length, depth, frame & shape is all there and ready to be taken advantage of, with a great amount of width in their pin bones and notably excellent butt shape - These steers are designed to carry a stack of weight and be a very high yielding finished body! Vendor also has another smaller lot of the lighter brothers in this sale, as well as a line of the sisters.
