	Very well mannered young steers to handle! All led through the race well, stood on the scales, and exited at a walk. All wandered out of the yards in to the holding paddock for photos very quietly, and settling in a corner and grazing out. Unfazed by me walking down the paddock for photos/videos. Steers you can tell have had some time spent on them, and are a real credit to the vendor.

Assessor Comments	Very stylish line of Steers from a well known Upper Murray herd, carrying 20+ years of pure Llandarlo genetics in their pedigree, with the recent introduction of Table Top Angus too. These steers present in store condition, with plenty of frame, heaps of scope, and a reputation for hitting ideal bullock grades in a quick timeframe. Cattle that have been repeatedly purchased by in-house clients and have proven to have the shape and scope to perform in any chosen market, be it domestic or export. Length, depth, frame & shape is all there and ready to be taken advantage of. Steers are designed to carry a stack of weight and be a very high yielding finished body! Vendor also has another lot of heavier brothers in this sale, as well as a line of the sisters.
