Assessor Comments	An impeccably bred line of Angus heifers. Kilkenny Pastoral Company have invested heavily in top end genetics from Ardrossan with a strong focus on doing ability, temperament, growth and I.M.F. They were weaned mid April and have been running on improved pastures supplemented with quality hay. Recent health treatments include a Cydectin drench and a 5 in 1 booster. This represents an opportunity to secure Angus genetics from the top shelf ! They come with my highest recommendation !
