Assessor Comments	An opportunity to secure a line of feeder heifers. These heifers were purchased as weaners over 12 months ago from Cluain Farms and are now ready to be fed or have an opportunity with a bull. The heifers have been running on a summer rape crop for the last 5 weeks prior to that running on improved pastures. Cattle are very easy to handle with a very good temperament. Buyer please note that 5 heifers have a small amount of white on their belly.
