Assessor Comments	A line of young flatback/crossbred calves that have been early weaned to Allow the mothers the opportunity to return back into before the turn of the season. Been running on Light spinifex country and present in store condition, are quiet and easy to handle and will explode on better country. All branded, dehorned and cut on their mothers prior to weaning and are healed completely and ready to Roll. 41 steers and 52 heifers in this lot There is 1 female that has a lump on her nearside jaw, (as shown in photo) not detrimental to her health at this point. Vendor has 3 months payment terms available to approved purchasers, please call for verification prior to bidding Vendor also has another 2 decks of Larger weaners in this sale combined will make neat 4 deck unit
