These steers were really gentle to draft. They penned up well and flowed up the race well. The few that were not settled in the crush settled quickly when back with the mob. They have been very well handled by the vendor through the yards. They were a lovely quiet mob to walk through and take photos with no sign of panic or flight

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	3 decks of ripping soft cross bred weaner steers on offer here. These steers are naturally quiet and a pleasure to draft through the yards. They are a mix of breeds and would suit the feeder market or would certainly grow out to be bullocks. These cattle have the genetics perform well and past sales show they do. They have been pretreated on 29/6/26 for tick with ICON pour on. The sisters are in the same auction.
