Assessor Comments	Buyers, an excellent opportunity to purchase a small, even line of unweaned heifers. These heifers show lovely shape and confirmation, presenting with plenty of depth and softness. Ideal heifers to background or suitable to grow out as future breeders for an Angus breeder herd. Heifers will remain on mothers until delivery. Heifers were good to handle in yards, but would recommend a weaning management practice on delivery. Please note vendor also has a line of weaned heifers and a small lot of unweaned steers in the same sale.
