Assessor Comments	Buyers, an excellent opportunity to purchase a small, even line of unweaned steers. These steers present with excellent shape, depth and bone. Ideal steers to background for the Angus or trade feeder markets. Steers will remain on mothers until delivery. Steers were good to handle in yards, but would recommend a weaning management practice on delivery. Please note vendor also has a line of weaned heifers and a small lot of unweaned heifers in the same sale.
