Assessor Comments	Buyers, an excellent opportunity to purchase a good quality line of well bred Angus/Angus weaned heifers. These heifers show lovely shape and confirmation, presenting with plenty of depth and softness. Ideal heifers to background or suitable to grow out as future breeders for an Angus breeder herd. Heifers have been well educated and were a pleasure to handle in yards, flowing easily between yards. These heifers are currently being fed a hay & grain ration as well as oaten hay. Please note vendor also has a small lot of unweaned heifers & a small lot of unweaned steers in the same sale.
