Heifers flowed well through the yard and race with most heifers slightly stirring whilst being weighed, however once released back into the mob they settled quickly. Overall Heifers were a pleasure to handle.

Handled With	Bikes

Assessor Comments	A good quality line of Speckle Park x Heifers displaying good length, depth & bone. These would heifers would suit a wide variety of markets, whether that is to grow onto domestic feeder weights, heavy feeder weights or export slaughter weights. These heifers also have enough style about them for anyone wanting to retain them as future breeders. These heifers would normally be retained in the vendors herd and are only for sale due to tougher ongoing seasonal conditions.
