Assessor Comments	A Good line of Angus heifers that have been yard weaned with all the hard work done, and are only being sold due to the ongoing wet conditions on the northern rivers. Heifers would be ideal to background out to heavier weights, and should go ahead straight away for the new purchaser. Buyers please note 2 heifer noted just getting over pink eye, 9 heifers noted with minor old blue eye scarring. The odd heifer has ringworm and 1 heifer noted with minor warts.
