Assessor Comments	A neat line of vendor bred Angus heifers showing good bone, sound structure and balanced conformation. Ideal for those chasing future breeders, with their quality Angus bloodlines, including; Bald Blair, Texas, Eastern Plain & Raff genetics. They're moving ahead in their weight gain on improved pastures and a supplementary grain ration. These heifers have received their first BOVILIS MH + IBR vaccination. A rare chance to buy heifers that would normally be retained and joined as future breeders. Vendor also has another line in the same sale.
