Assessor Comments	On offer are a line of 28 Angus weaners, 7-10 months of age, 156kg. By Fairview Valley Angus Bulls, Heifers were weaned at quite a young age to take some pressure off the cows at the beginning of the year. They have done it quite tough since, have been fed hay and are poking along okay. These Heifers present in a light store condition with frame on offer, an opportunity presents itself to purchase cattle that can only go forward everyday you've got them and turn into profit! Vendor has the steer portion in this same sale.
