Assessor Comments	Nice Line of Santa x Heifers that are quiet and easy to handle. Heifers are showing good frame and bone and are ready to go ahead. Heifers would suit any backgrounding or breeding operation. Please note these heifers have been locked up since Sunday on good quality wheaten hay and have had 40 plus ml of rain on them when photos were taken that does not do them justification. Vendor is happy to drench heifers at delivery with Ivermectin on Purchasers request. Please also note Vendor has another 2 lots in this sale.
