Assessor Comments	Offering a great line of back grounding/feeder heifers that are in good forward store condition with length and shape they are ideal to put straight onto grain or grass and will be fit of the trade or export market. 336-384kg av 371kg full @ assessment. Alternatively, they have enough quality to join to bull of choice. These heifers were purchased out of Mortlake store sale in January and have done well and grown out nicely. These are empty and there in no bull on property. There is 3 marks in lot and were purchased in as Chiltern Park blood, Lawson and Te mania blood. Please note vendor is offering another lot in same sale.
