Assessor Comments	These are the lead of the no 6 weaner steers, they were very good to handle in the yards and through the race. They have been vaccinated with 5 in 1, Bovishield and are HGP Free. These steers are out of big framed, fertile Beefmaster cows, predominately by Beefmaster bulls but there are signs of Charolais blood in the steers with approx 20 lighter coloured brindles. The steers were weaned 3 weeks ago and are strong and healthy. The vendor will deliver the steers clear of the dip on property or if bought interstate clear of the dip at Richmond.
