Assessor Comments	64 VGQ Vendor Bred Charbray Steers. Majority Exhibit Medium to Large Bone, Length, Depth and Frame for their age. Ideal Steers to grow out to Heavy Feeder or Slaughter weights with majority having the capacity to make Very Good Bullocks. Take note of the frame & condition, these Steers will have heaps of compensatory weight gain on good feed. They are Quiet, have Good Feet, Tidy Heads & were 100% weighed & assessed after 24 hours off feed with access to water. There is some Prickly Acacia at "Baroona", however it is not in seed at present. Vendor has another 2 decks of Heifers in the same sale. It would be appreciated if buyers could work in to deliver in a similar timeframe.
