Assessor Comments	64 VGQ Vendor Bred Charbray Heifers. Majority Exhibit Medium to Large Bone, Length, Depth and Frame for their age. Ideal Heifers to grow out to Heavy Feeder or Slaughter weights with the pick suitable to breed from, as Vendor has not kept any replacements out of these Heifers. Take note of the frame & condition, these Heifers will have heaps of compensatory weight gain on good feed. They are Quiet, have Good Feet, Tidy Heads & were 100% weighed & assessed after 24 hours off feed with access to water. PTE by Jack Brodie at assessment (certificate available). There is some Prickly Acacia at "Baroona", however it is not in seed at present. Vendor has another 2 decks of Steers in the same sale. It would be appreciated if buyers could work in to deliver in a similar timeframe.
