Good to Handle in and out of the yards. A fair few were unsettled in the crush during the mouthing process which is understandable but settled when let out. They are free flowing compared to most Angus cattle. Race drafted only.

Assessor Comments	100 VGQ HGP Free Vendor Bred Angus Steers. They Exhibit Good Bone, Length, Depth and Frame for their age and have Good Feet. Bred out of Large Frame, classed “Te Mania” Blood Cows by VGQ “Te Mania” Bulls. Highly Regarded Cattle that are ideal to finish on Grain. Take note of the frame & forward store condition, Steers are probably growing a frame & maintaining condition at present so will explode on better quality feed. These Steers are part of a “run of the gate” mob consisting of 400 head in total, to be split into 4 x 4 deck units. In total there are 204 x 2 Tooths & 25 Steers with 1 x Blue Eye. All of the Steers were weighed, mouthed & assessed from 8am to 3pm with access to water but off feed for over 24 hours (should be a good curfew but make your own adjustments). *Monday afternoon the 13th to Wednesday afternoon the 15th for delivery*. Aldingham has no Prickly Acacia in the paddocks the steers came out of.
