Assessor Comments	A quality line of 80 Vendor bred Santa Gertrudis, Charolais and Hereford cross weaner steers weighing 246kgs curfewed at assessment. Sired by proven Palgrove Charolais, Rosevale Santa Gertrudis, and Lotus Hereford bulls, these steers display excellent breeding, frame, length and bone, with strong weight-for-age and future growth potential. The steers have been bunk trained, making them well prepared for backgrounding or a smooth transition into a feedlot environment. Presented in healthy store condition, they are well suited to grass or forage-based systems before entering feeder or export markets. A genuine, even line of young steers offering buyers quality genetics, excellent handling and outstanding performance potential.
