Assessor Comments

Buyers a very even line of 168 USDA/NOP Organic certified & never ever certified Angus backgrounding steers that are showing great weight for age and reaping the rewards of a great season. Steers present as good medium to large frame for age & weigh from 313 to 420kg full at assessment. This line of angus steers were 100% weighed at assessment with a 30 of the heavier weighted steers mouthed with only 2 x 2 tooth found the balance all milk teeth. At assessment 4 x head seen with slight blue eye, 4 x head with some warts on face but very minimal & 2 x head with a splash of white on under belly behind pizzle. Buyers this a great run of Angus steers that will perform very well on crop, grass or grain. A total of 168 in the run being offered as 2 x lots 84 head with delivery being a run out the gate.
