Notable Traits

	Traits
2 Head	Old pink eye scarring

Assessor Comments	Buyer on offer is excellent line of Millwillah blood steers bred out of a top line of cows. These steers were weaned in march and are ready to bounce away on crops or pastures. Steers show the length bone and stretch to grow out to the feeder market or the heavy bullock trade. The old pink eye scarring is not detrimental as the animals can see. These are the seconds of two lots offered today there is 118 head in the tops
