Assessor Comments	An Opportunity to put away a nice line of Angus steers, these steers come from well-bred herds out of the local district. They were purchased in Mid-March and have been a pleasure to feed and handle since. Steers have good growth in consideration of short feed and a lot of hay. These steers will be great to put onto good feed in the early spring and are really starting to "do". Only 2 marks in these steers here is an opportunity to put 2 decks together of locally bred calves
