Heifers were ok to handle but some did slightly stir up when put under pressure. Heifers were handled in a set of yards that were to small for the amount of cattle which didn't help.

Assessor Comments	Great opportunity to secure some well bred angus heifers. These heifers are the tops of the drop with none being retained by the vendors. Heifers are Twynam,Te Mania & Yamba blood. Bred out of some top quality large matrons 650kg plus. These heifers would suit to taken on as future breeders or continue onto feeder/kill weights. A small tail was removed at assessment. Please see vendors line of steers in same sale. Any questions please call myself.
