Assessor Comments	Nice Line of Angus x Heifers that are quiet and easy to handle. Heifers are showing good frame and bone and are ready to go ahead. Heifers wouldn't take long to get to trade or export weights and or future breeders. Please note these heifers have been locked up since Tuesday on good quality wheaten hay and have had 60 plus ml of rain on them and a cold snap over the last week. Photos do not do them justification. Please also note Vendor has another lot in this sale.
