	These cattle were a pleasure to handle and were absolutely quiet. They ran through the race and into the crush with no problems.
Handled With	On foot , Vehicles
Assessor Comments	These Te Mania and Hazeldean blood Angus steers are outstanding for quality and temperament. Buy with confidence knowing these cattle are proven performing cattle. There is the odd scaring from pink eye treatment but will not be detrimental at all. The vendor handles these cattle daily with paddock movements and are extremely quiet. Highly recommended cattle.
