8 Head	Blue eye from old pink eye scarring.	

Assessor Comments	Koroit Park are offering their top of the drop Angus heifers. They are sired by Pathfinder Angus bulls out of medium/large frame, predominantly Pathfinder blood cows. Heifers did it quite hard earlier in the year, however they have now been grazing a kale crop for the past 6 weeks & are starting to turn a corner. They recently received a Cattlemax Plus drench & multimin on 28th June. They are an ideal article to take on & join for a Spring calving or feed on to export weights.
