Assessor Comments	Buyers, here is your chance to secure a 4 deck line of very good quality vendor bred weaner steers. The Alchera cattle have a good reputation for growth and performance. This line of steers have a live weight range of 204kg to 357kg and averaged 260.8kg at assessment. They stand on good bone and show good frame and length. These steers would be ideall suited to background into the heavy feeder or slaughter markets. The vendor will continue to put these steers through a weaning program and will begin to tail them outside the yards until delivery. Steers are in good store condition and will power ahead once given the oppertunity on good feed. Please note, this lot have been pretreated with TICK OFF DUO twice 8 days apart to assist wil clearing for potential buyers in the tick free zone.
