Assessor Comments	Buyers, here is a 2 deck line of very good quality weaned steers ready to perform. This lot come from a herd based on performance. These steers present great weight for age, show good length, frame and stand on strong bone. They have a live weight range of 222kg to 410kg and averaged 302.5kg after a 5% delivery adjustment. This lot would be ideally suited to background into the heavy feeder or slaughter market and will perform well on good grass, crop or grain. This lot have been pretreated with dectomax pour on to assist with clearing for potential buyers in the tick free zone.
