These heifers would be ideal to take through to heavier feeder weights or keep and take through to kill weights at a young age, suiting all the Organic and GAP Certified Markets. Heifers could also be kept as future breeders showing all the right attributes for breeders and join to a bull of your choice when ready. These heifers present in strong store condition and given the right opportunities will power ahead for intending buyers. Heifers stand on good bone and show plenty of softness whilst showing good female characteristic. Heifers have been bought by repeat buyers and come recommended. ** Please note Steers in same sale to make up 3 decks**
