Assessor Comments	Buyers, here is your chance to buy a 3 deck line of very good quality soft cross bred heifers. The Farmleigh Grazing cattle come with a great reputation for quality, growth and performance on grass, crop or grain. They have a live weigh range of 204kg to 342kg and averaged 266kg at assessment. These heifers stand on strong bone and show good frame. These heifers would be ideally suited for backgrounding into the trade, heavy feeder or slaughter weights. They are in good store condition and are ready to power ahead once given the oppertunity onto good feed. Heifers have been yard weaned and will continue to be worked and looked after until delivery.
