Assessor Comments	Buyers on offer is 110 XB steers weighing 250-358kgs to ave 295kgs at assessment. Steers present in store to forward store condition and have been grazing short green pick and given the right opportunity would do very well shown good feed. Steers have had all the hard work done, showing good frame with plenty of gain to be had by potential purchaser. Steers would be ideal to take home put onto grass or crop and take through to heavy feeders or kill bullocks. Please note this vendor has 2 lots in this sale.
