Assessor Comments	Buyer on offer is excellent line of Millwillah blood Heifers bred out of a top line of cows. These Heifers were weaned in March and are ready to bounce away on crops or pastures. Heifers show the length bone and stretch to grow into excellent quality matrons. These heifers are the tops of the drop and were originally selected as the ones to keep and join. Vendor has made the decision to let them go due to a change in operation.
