Assessor Comments	**Angus Heifers** Commercial Lawson's Angus Heifers, 11-12 mths Pure Lawson's blood heifers coming from a a herd with extensive AI program over many years. Heifers are fresh and showing signs of cleaning up in the coat coming to the back end of winter with some showing Ring worm. That won't last long with spring on the way these heifers are ready to go ahead and have the frame to do so. None retained, providing an opportunity to get into heifers with a lot of breeding behind them. Note: Vendor has 2 lots in same sale.
