Handled With			
Assessor Comments	An excellent opportunity to purchase 49 vendor-bred Angus heifers by Phoenix Park Angus bulls, averaging 240kg at assessment, out of medium to large frame Angus cows. Weaned 10 days prior to assessment, these heifers are already responding well and display good length, bone, and depth for their age. With the benefit of the current positive seasonal conditions, they are expected to continue to thrive and develop into quality feeder heifers or future breeders. A well-bred, even line of Angus Heifers offering proven genetics and strong growth potential. Please note 6 Head contain old pink eye scarring. Vendor will be offering a line of steers in the same sale also
