Assessor Comments	'The Grange' of Murrindindi are offering a tremendous opportunity to secure an exceptional run of well-bred Angus heifers that will compliment a range of operations. Sired by leading genetics from the well renown Ascot Angus Stud after purchasing multiple bulls from their on-property bull sales in the previous years. Presenting in a forward-store condition with plenty of upside, I am certain these heifers will be a welcomed addition to any successful purchaser. The future looks bright with animals like these in your front paddock, breed or feed, retain or trade, the opportunites are endless.
