	Heifers walk through the yards very well. They were drafted off the scales, so we didn't have too physically draft them. Only a handful stirred up on scales when slipped and lost footing. They were good to video and photograph in holding paddock.

Heifers were all individually weighed from 220 - 260kg Ave 238 kgs. They will present in healthy store condition and come with nice upside, they display nice frame and all are up to date with all animal husbandry. Nicely bred heifers that were all purchased from Northern Tablelands feature weaner sales. These heifers are nicely set up leading into coming Spring, look to be a good trade on offer.
