	Steers work well through yards although need steadying through gateways as with all western cattle handled in big mobs good stock handling technique needs to be used as cattle will move freely away from pressure . Some became agitated in crush or confined spaces but settled once returned to mob.

Assessor Comments	Buyers a light Bdouble of store condition USDA, NOP Organic Gap certified crossbred steers. This is the coloured line out of the four lots on offer. Strs purchased in June 2025 from Hale River Cattle Co as light weight weaners and have performed well since a break in the season at Crossmoor in January. Steers present in store condition and are Ideally suited to take through to the Lucrative Organic slaughter market. Please note some strs show fly rub marks on neck and two have old blight scarring in one eye.
