Assessor Comments	Buyers, here is a great line of Charolais cross weaned steers that ave 270kg. These steers present in store condition with plenty of room to fill out. Steers stand on good bone with muscle, frame and softness. Steers show nice volume with thickness and depth of flank. They have been weaned for 3 weeks being handled and tailed out. They are some of the quietest weaners I have ever handled. Steers are out of medium to large frame Angus, Santa & Droughtmaster cross cows by good quality stud Charolais sires. Vendor has other lines in same sale.
