Assessor Comments	Here is a VGQ line of 80 Angus & Angus cross weaner steers. They present in good store condition with weights form 170 kgs - 305kgs to av 221.7kgs curfewed. Steers have a great deal of style, bone and punch about them. Steers have very good temperament and are quiet in nature, they would be an ideal article to put on grass or crop and taken through to heavier weights.
