Assessor Comments	A line of good quality, well educated Santa & Santa/Hereford weaner heifers ready to go ahead. Renowned doing cattle bred on forestry country. Please note vendor has another 2 lots of weaner heifers in the sale of the same breeding, with this lot purely being a family ownership split. Here presents an opportunity to put together an excellent line of potential future breeders or secure a line of good quality backgrounder heifers suitable for the trade or export markets.
