|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments      | An Outstanding line of Vendor Breed Weaned Angus Heifers, presenting in fresh forward condition. Heifers show good length of Body, depth and thickness all the way through. Opportunity to secure a line of quiet easy to handle heifers that will make great backgrounders or future breeders. Vendor hasn't retained any heifers top of the drop.                                            |
